Editorial Review

Amazon.com Review

If there remained any doubt in gamers' minds, let it now be officially put to rest: the role-playing game (RPG) drought is over. And though we've seen a number of solid RPGs in recent years, none has been quite so impressive as Interplay's *Baldur's Gate*. This epic title, based on the Forgotten Realms universe from TSR's Dungeons & Dragons, is simply one of the largest, most ambitious, and most enjoyable RPGs ever. But let's be realistic: even the most seasoned fantasy adventurer needs a hint or two from time to time. BradyGames' guide to *Baldur's Gate* has all the info you need to survive your journey through Faerun. It starts out with a guide to the guide, which explains how the book is set up and which sections reveal lots of information and which ones offer basic advice only. Using this as a reference, you can then rely on the book to pick out just the information you need without spoiling any of the key plot elements in the game. Some of the topics covered include character creation (always one of the best parts of any RPG), spells and spellcasting, basic movement and control in Faerun, and, of course, a complete walkthrough. Unlike other strategy guides, however, this walkthrough is just an example. Since *Baldur's Gate* is different every time it's played, the experiences of Diana Nightflame (the authors' character) will not be identical to your own. The book closes with a description of each important location in the game, along with a list of things you must do at each (as well as some things you probably should do). Basically, this is the perfect companion guide for anyone journeying through the land of Faerun. --*Michael Ryan*

Grace Robinson:

Information is provisions for folks to get better life, information presently can get by anyone with everywhere. The information can be a information or any news even a huge concern. What people must be

consider while those information which is within the former life are hard to be find than now is taking seriously which one is suitable to believe or which one often the resource are convinced. If you find the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take Baldur's Gate Official Strategy Guide (Bradygames Strategy Guides) as your daily resource information.

Shellie Toy:

Reading a book for being new life style in this season; every people loves to examine a book. When you learn a book you can get a lots of benefit. When you read books, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you would like get information about your study, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this kind of us novel, comics, along with soon. The Baldur's Gate Official Strategy Guide (Bradygames Strategy Guides) provide you with new experience in studying a book.

Lee Parkin:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Baldur's Gate Official Strategy Guide (Bradygames Strategy Guides) can make you sense more interested to read.
