### Fat Chance By Nick Spalding

Meet Zoe and Greg Milton, a married couple who have let themselves go a bit.

Zoe was a stunner in her college days, but the intervening decades have added five stone, and removed most of her self-esteem. Greg's rugby-playing days are well and truly behind him, thanks to countless pints of beer and chicken curry.

When Elise, a radio DJ and Zoe's best friend, tells them about a new competition, it seems like the perfect opportunity to turn their lives around. *Fat Chance* will pit six hefty couples against one another to see who can collectively lose the most weight and walk away with a £50,000 prize.

So begins six months of abject misery, tears, and frustration—that just might turn out to be the best thing that ever happened to them—in another laugh-out-loud look at the way we live now from bestselling author Nick Spalding.
