### Loch (The Powers That Be Book 3) By Harper Bentley

Loch Powers was the hottest guy I'd ever seen in my entire life.

And I hated him with every fiber of my being.

I'd practically known him since birth. Heck, we'd literally shared a crib as babies at his mom's daycare.

Then I'd crushed on him hard when we hit middle school but he wouldn't give geeky, glasses-wearing me the time of day. When his mom made him take me to the sixth grade dance, he'd humiliated me and I vowed to never talk to him again.

The next year when my family moved away, I told myself that if I never saw him again it'd be too soon.

Now I'm back and attending the same college, but I'm no longer the skinny, ugly girl who was so infatuated with him. And I'm so over him it's not even funny.

But now that I'm no longer the ugly duckling, he's set his sights on me, and I'm just not sure what to do with that.

### Editorial Review

#### About the Author

USA Today Best Selling author Harper Bentley writes about hot alpha males who love hard. She's taught high school English for 23 years, and although she's managed to maintain her sanity regardless of her career choice, jumping into the world of publishing her own books goes to show that she might be closer to the ledge than was previously thought. After traveling the nation in her younger years as a military brat, having lived in Alaska, Washington State and California, she now resides in Oklahoma with her teenage daughter, two dogs and one cat, happily writing stories that she hopes her readers will enjoy. **Daniel Adams:**

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Loch (The Powers That Be Book 3) can make you truly feel more interested to read.
