### Editorial Review

From the Author

Two important Rho Agenda characters, the NSA special operators Jack 'The Ripper' Gregory and Janet Price, enter The Rho Agenda about a third of the way through The Second Ship and become so integral to the story that I am now in the process of writing three prequel novels that feature them.

What makes a hero? For Jack Gregory, it's a serial killer's soul.

Once Dead, the first Ripper/Rho Agenda novel, is scheduled for release under the 47North imprint on August 19th, 2014. In Once Dead, readers learn that ex-CIA assassin Jack Gregory revived on a Calcutta death-bed, sharing his mind with a dark entity that has previously inhabited some of history's most notorious killers. One year later, plagued by terrible dreams and compulsions, Jack is no longer the man he once was. As he struggles to regain self-control, Jack is reluctantly recruited for an NSA mission to prevent a nuclear attack on the United States.
