### Roman Crazy By Alice Clayton, Nina Bocci

A delicious, sexy, laugh-out-loud modern romance about a newly single woman and her journey to find love again, from *New York Times* bestselling author Alice Clayton and debut author Nina Bocci.

Avery Bardot steps off the plane in Rome, looking for a fresh start. She's left behind a soon-to-be ex-husband in Boston and plans to spend the summer with her best friend Daisy, licking her wounds—and perhaps a gelato or two. But when her American-expat friend throws her a welcome party on her first night, Avery's thrown for a loop when she sees a man she never thought she'd see again: Italian architect Marcello Bianchi.

Marcello was *the* man—the one who got away. And now her past is colliding with her present, a present where she should be mourning the loss of her marriage and—hey, that fettuccine is delicious! And so is Marcello...

Slipping easily into the good life of summertime in Rome, Avery spends her days exploring a city that makes art historians swoon, and her nights swooning over her unexpected *what was old is new again* romance. It's heady, it's fevered, it's wanton, and it's crazy. But could this really be her new life? Or is it just a temporary reprieve before returning to the land of twin-set cardigans and crustless sandwiches?

A celebration of great friendship, passionate romance, and wonderful food, *Roman Crazy* is a lighthearted story of second chances and living life to the fullest.
