Silent Daughter: Taken By Stella Noir, Linnea May

"I am going to break you. I am going to free that little monster inside of you, peel off every barrier of protection you set up and reassemble a new you."

LIZ

Moving back home after graduating college was not part of the plan, but I have nowhere else to go. For now, I have to live in my family's unpleasant company, secretly fleeing to the darkest corners of my mind when I am alone.

They are right to keep me at distance. There is obviously something wrong with me. Me, the bad seed.

I am invisible.

To everyone but *him*.

LEONARD

I made it to the top. In a world divided into *us* and *them*, I have become one of *them*. This is who I am, where I belong, among the rich & powerful. I am used to getting what I want - and I know I want her from the moment I see her. Elizabeth Barrington. That quiet but strong fairy, waiting to be broken. She may not understand it herself, but her eyes are begging for me to take her.

So I will.

This is the first part of a 3-part **Dark Romance** serial with themes of kidnapping, captivity & steamy BDSM. Intended for audiences 18+ & **not** for the faint-hearted. Contains situations some readers might find objectionable.
