## Spank Your Spouse! Avoid Divorce: Avoid Divorce By William B. Baker

Divorce is the Death of a Family Nothing is more permanently destructive to a family than the divorce of husband and wife; the divorce of father and mother; the end of US as a Family Unit. Spanking as presented in this book may be exactly what YOU need to save your marriage. If your ship of love is foundering in the storm of life and struggling to stay afloat; read this book. The hurricane of divorce does not have to sink your ship. This book emphasizes a way to rescue your marriage, strengthen your love life, and avoid the devastation of divorce. Spanking your spouse may seem drastic, but drastic times require drastic measures. Something put you in the situation you now find yourself, and a good spanking may help you recover. There are many reasons a marriage fractures, but few real constructive ideas on how to patch the cracks in the wall before they crumble and collapse. This book makes suggestions that may work for you. This book takes a spiritual look at Biblical principles and uses them to give tangible, physical steps to follow, that just might repair the cracks in a faulting marriage. Remember, divorce is the death of the family, a spanking, on the other hand, is punishment for behavior and attitudes that flip the cart of marital harmony on its side. Aristotle said, "Punishment is a sort of medicine," and Plato added, "Punishment brings wisdom; it is the healing art of wickedness." When you allow your partner to feel in their flesh the pain you are feeling in your heart, you are giving them the opportunity to understand just how upset you are. This book rose from the ashes of the broken families I saw all around me, and is written for all those who wish for their marriage to last. If you have ever thought, "I hope my marriage doesn't end in divorce," or desire to ignite your marriage to new levels, this book is for you. Your marriage does not have to be humdrum or end in divorce. Just as you and your spouse decided to marry each other, you can decide to work through your differences and turn the dying embers of love into a blazing bonfire. If you choose to follow the premise of this book, you will discover the magic in a "Holy Spanking." Your Heavenly Father wants your marriage to remain solid. Don't give the devil the victory; read this book today!
