### The Cook's Tale (Lives of Servants) By Nancy Jackman

Nancy Jackman was born in 1907 in a remote Norfolk village. Her father was a ploughman, her mother a former servant who struggled to make ends meet in a cottage so small that access to the single upstairs room was via a ladder.

The pace of life in that long-vanished world was dictated by the slow, heavy tread of the farm horse and though Nancy's earliest memories were of a green, sunny countryside still unspoiled by the motorcar, she also knew at first hand the harshness of a world where the elderly were forced to break stones on the roads and where school children were regularly beaten.

Nancy left school at the age of twelve to work for a local farmer who forced her to stand in the rain when she made a mistake, physically abused her and eventually tried to rape her.

Nancy continued to work as a cook until the 1950s, sustained by her determination to escape and find a life of her own.

*The Cook's Tale* shows you life below stairs as it really was and is perfect for fans of *Downton Abbey*.

Part of the *Lives of Servants* series. Other titles in the series are: *The Maid's Tale*, *They Also Serve* and *Cocoa at Midnight*.
