The Ruling Elite: Death, Destruction, and Domination By Deanna Spingola

Providing a general overview of the accurate history of World War II-which was essentially a continuation of World War I with the same saber-rattling participants-The Ruling Elite describes the circumstances leading up to World War II. Author Deanna Spingola discusses how the diaspora-distributed international bankers living and prospering in Britain, France, and America influenced greedy, compromised, and complicit politicians in those nations. The Ruling Elite explains that through deceptive propaganda, those politicians persuaded naïve citizens to wage war against Germany, a peace-loving nation whose leaders were uncooperative with the bankers, which led to World War I. Following that war, German officials rejected the bankers and their money-lending scheme to save their nation and its citizens from the burden of debt. The aftermath of World War II-a deadly war that killed millions and imposed communism in numerous countries-impacted every banker-occupied country in various ways: culturally, morally, politically, and economically. Researched through historical documents and scholarly works, The Ruling Elite describes how warmongers regularly project their criminal activities onto others, frequently blaming the victim, whether an individual or a nation. Spingola offers an unbiased look at World War II beginning with Hitler and the rebirth of Germany through the aftermath of the war.

Editorial Review

About the Author

Deanna Spingola is a student of accurate history as opposed to the mandated government-approved history for general consumption. Rather than media sound bites and popular movie portrayals, she researches historical documents, scholarly works, and current circumstances to draw conclusions about the significant historical events that impact mankind. She currently lives in Illinois.

Users Review

From reader reviews:

Lorraine Brown:

In this 21st one hundred year, people become competitive in each way. By being competitive at this point, people have do something to make these people survives, being in the middle of the particular crowded place and notice simply by surrounding. One thing that occasionally many people have underestimated it for a while is reading. That's why, by reading a guide your ability to survive improve then having chance to remain than other is high. In your case who want to start reading a new book, we give you that The Ruling Elite: Death, Destruction, and Domination book as beginning and daily reading reserve. Why, because this book is greater than just a book.
