This book is the RCIA! Exactly like LTP's ritual edition in size and pagination, this study edition enables everyone involved with the RCIA to have a working copy of the entire document. With ample margins for notes, sturdy but flexible binding, clearly numbered paragraphs in the introduction and texts, this edition is for study, reflection, and preparation of liturgy. The introduction to the entire RCIA and the introduction to each of the rites express the understanding that should be the foundation of the parish catechumenate. Who should have a copy of this book? The catechumenate team, catechists, music ministers, sacristans, pastors and pastoral associates, the liturgy team, deacons, presiders, seminarians, and theology students. Published by Liturgy Training Publications.
