This is a study that digs deeply into this 'other' slavery, the bondage of Europeans by North-African Muslims that flourished during the same centuries as the heyday of the trans-Atlantic trade from sub-Saharan Africa to the Americas. 'Christian Slaves, Muslim Masters is about a subject of immense importance, which has been strangely neglected...It is very well researched, and... at a time of unprecedented interest in racial slavery in America, it is interesting to read a crucial and informative preview to that subject.' - David Brion Davis, Yale University
