Diapers Are Not Forever (Board Book) (Best Behavior Series) By Elizabeth Verdick

Learning to use the potty takes patience and practice, and this charming, straightforward book helps pave the way. Young children learn how to use the potty and why it's time to do so, while gaining the courage and confidence to face this important milestone in their lives. When little ones learn to “do what the big kids do” (go, wipe, flush, wash their hands), they won't need a diaper anymore—they'll have underwear under there! Includes tips for parents and caregivers from a children's health specialist.
