Ethics and Professionalism for Healthcare Managers By Elizabeth J. Forrestal, Leigh W. Cellucci

Healthcare managers face a host of difficult decisions every day. Many can be loaded with ethical implications that, if not addressed properly, can evolve into major issues for both the manager and the organization as a whole. This book prepares new and aspiring healthcare managers to make better decisions through a solid grounding in ethics and professionalism.

Using a three-part approach to engage students, the authors open each chapter with a case from the field, provide key foundational material related to the ethical or professional dilemma presented, and close with a mini case study and accompanying questions. Rich with cases throughout, the book uses examples that are based on a variety of healthcare settings, including hospitals, physician practices, ambulatory surgery centers, home health agencies, and skilled nursing facilities.

Material covered includes the following and more:

Health informatics
