2. Party Games: An Unexpected Wife Swap Adventure by Brianna Spelvin

It was so strange! One moment my best friend and I were having one of our regular parties with our husbands. It was easy. We met in the morning, had brunch, played board games, watched movies, had dinner, and that was it. We'd been doing it for years. All of a sudden things changed, though! Inspired by a chick flick we'd insisted they watch the men suddenly switched us up. Before I knew it, Amy's husband was fucking me and my husband was fucking Amy! After all this time, our husband's decided the other one was the MILF! Who would have thought our husbands would want to swap and who would have thought we would have liked it so much?

3. Wife Swap Plus One: A Group Sex Erotica Story with First Lesbian Sex by Geena Flix

When my best friend asked me about sleeping with her and her husband, I told her I just wasn't into girls. She wasn't either, she said. She had another friend coming but the idea was that her husband and my husband would be treated to all

of us, not that we'd do anything together. Who would have thought that once it started the three of us girls would be just as into each other as we were with the men?

4. Patty's Husband: A Wife Swap Erotica Story by Constance Slight

My best friend. My absolute best friend in the world. My dearest friend. The person to whom I felt closest in all of the world. That was Patty. I was sleeping with her husband. I was sleeping with my best friend's husband and there was no way to do it without experiencing terrible guilt. And that was kind of stupid. After all, she was fucking my man at the exact same time.

5. Haunted House Wife Swap (Rough Public Sex with Her Husband's Friend!) by Kitty Lee

A Swinger Erotica Story

Georgina is excited to get her husband and their friends to the annual haunted house in her hometown, and she loves their reactions to all the thrills. She even ditches them to get a bigger scare. Of course, her husband catches up to her and before she knows it, he's starting something right there in the dark. She knows it's wrong but he's so sexy and... and... wait a minute... Why is Jesse so much rougher than normal? She can hear Cassidy reacting with the same surprise somewhere else in the dark. It's like their husbands have become entirely different men. It's like... Oh my goodness! They've been swapped!
