## One Among Us By Paige Dearth

**Kidnapped and forced into human sex trafficking, Maggie has only one way out.**

Eleven-year-old Maggie Clarke is living a nightmare most children couldn't imagine in their wildest dreams. She's been abducted from her suburban Philadelphia family and thrust into the indescribably horrific and largely unknown underworld of human sex trafficking. Maggie doesn't yet realize that her abduction will change her life forever. She's focused on caring for four-year-old Seth, who was also abducted. Years pass and though Maggie's family never gives up searching for her, she's living the dangerous and degrading life of an underage prostitute. Maggie's smarts usually keep her one step ahead of her pimp, but her boldness sometimes earns her severe punishments from the man who controls her every move. Her close relationship with a drug dealer named JuJu and her continuing role as mother to Seth are what give her the strength to keep going through her brutal existence.

After nearly a decade, when a man approaches her with a dangerous proposition, will Maggie be willing to do whatever it takes to break free from this modern form of slavery?

An unforgettable story of courage and survival, *One Among Us* serves as an eye-opening reminder that horrible things can happen to anyone--it's how people deal with their circumstances that matters.

#### About the Author

Paige Dearth, a victim of childhood sexual abuse, was raised in a poor family in Philadelphia. By her early twenties, she was a new mother with a heroin-addicted husband. But through sheer determination, Dearth would earn a master's degree and spend twenty-eight years working in corporate America. She realized her longtime dream of becoming a writer upon the 2011 release of her first novel, *Believe Like A Child*. Two more novels followed: *When Smiles Fade* and *One Among Us*.

Dearth credits her ability to produce exciting and emotionally provocative stories to years of voraciously reading thrillers and horror novels. She aims to inspire her readers to think about the lifelong ramifications of traumatic childhood experiences.

Dearth currently lives in Philadelphia with her husband. She enjoys healthy cooking and has plans to add a cookbook to her literary credentials.
