## **Editorial Review**

### Review

“Great diagrams for visual learners.”

“It’s a very good way to have a clear idea of what you want to achieve before you pick up the handpiece.”

“Being able to read about the operative techniques in advance of the practicals was excellent...I knew what to expect and it reinforced the technique when repeating it myself.”

“The book chapters are the perfect length for a quick overview...The sections [on] common pitfalls and criteria are particularly helpful.”

“It all reads very clearly for someone in our position, who is familiar with the basic scientific knowledge but unsure about further detail. The chapters explain and illustrate concepts very easily.”

### From the Back Cover

Books in Wiley’s *Dentistry at a Glance* series are ideal study aids for undergraduate dental students and recently qualified dentists. All follow the same student-friendly style; each chapter is presented in a double-page spread with clear, easy-to-follow diagrams, supported by succinct explanatory text.

*Dentistry at a Glance* books are essential introductory guides to a wide range of topics in dentistry. The explanatory text outlines the key concepts and each bite-sized chapter is superbly illustrated to aid visual learning and understanding.
