### The Interview (A His Submissive Series Story) By Ava Claire

Billionaire Jacob Whitmore doesn't have the time nor patience for romance. He's still cleaning up the mess from the last woman who had delusions of the two of them riding off into the sunset together.

His other needs, needs that call for his lover to be completely at his command, are regulated by a very specific contract. He longs for a submissive that not only sates his need to dominate, but can keep him on his toes. When he runs into a spunky brunette with curves in all the right places, his attraction is instantaneous. Is she the submissive he's been searching for?

The Interview is a re-telling of The Billionaire's Contract (His Submissive: Part One), from Jacob's point of view. The entire His Submissive Series is now available in a boxed set.
