When Maggie McMillan is sent back to 1622 Virginia by the power of a magical Bloodstone, she is captured by Winn, a warrior torn between his duty to kill her and his desire to keep her. Thrust into a life she had only read about in history books, Maggie must struggle to survive in a world gone mad. Cursed with the knowledge of what the future holds for both the English and the Powhatan people, Maggie and Winn fight to hold onto the ties that bind them.

Old Norse magic and ancient bloodlines brought them together, but their future remains unwritten. As danger and magic test the bond of blood between them, they must embrace their demons - or risk losing everything.
