### Crushing Small Stakes Poker Tournaments Volume 01 By Jonathan Little

This poker book made up entirely of 50 unique hand examples taken from small stake, fast structured No Limit Hold'Em tournaments, which is the most common game Jonathan Little's students play on a regular basis. Most poker players start by playing small buy-in events at local casinos or online poker rooms and end up losing a lot of money because they fail to learn the optimal strategy to beat this game. You will discover that almost all of your major decisions are made before the flop in small stake live tournaments. The hand examples presented will all discuss preflop situations.

Allow Jonathan Little, a two time World Poker Tour champion with over \$5,800,000 in live tournament winnings, to show you how to transform your game so you can quickly move up to the high stake games, even if you don't have a large bankroll right now. If you study all the hand examples in Volume 1-14, you will learn how to tackle over 700 individual preflop situations you will encounter on a regular basis at the table, allowing you to effortlessly make optimal decisions in the heat of battle

For a more in depth discussion on tournament poker, please look into Secrets of Professional Tournament Poker, Volumes 1-3.
