**Solomon Speaks on Reconnecting Your Life** By Eric Pearl, Frederick Ponzlov

Why are prominent doctors, quantum physicists, and researchers all over the world interested in the seemingly chance encounter that **Dr. Eric Pearl** had with one of his patients? What was it about that encounter that would not only radically accelerate the trajectory of his life, but ultimately affect the lives of millions . . . and will most likely profoundly affect your life as well? What is this phenomenon?

In his international bestseller, *The Reconnection: Heal Others, Heal Yourself*, Dr. Pearl taught readers how to access and tap into a comprehensive spectrum of energy, light, and information previously inaccessible to anyone, anywhere. In doing so, he allowed us to entirely transcend complex energy-healing “techniques” and bring about dramatic, often instantaneous, lifelong healings and life transformations!

Since then, the world has clamored for Eric’s second book. His response? *When I have something else to say*. Today Dr. Pearl, in collaboration with **Frederick Ponzlov**, indeed has something else to say.

You might have to reconsider everything you’ve read up until now about healing, consciousness, and our four-dimensional existence here on Earth. As guided by the spirit of Solomon, an extradimensional intelligence that speaks through Frederick, experience firsthand the insights imparted during the evolution of this unique transmodality known today as Reconnective Healing. Now you can discover these insights and apply them to your life—insights that have revolutionized the healing world and given us the key to access the immense power that we each have within our lives. Solomon speaks. . . .
