### **The Path to the Throne of God** By Sarah Peck

This study of the sanctuary aims to give the reader an overall view of the entire sanctuary, including the earthly and the heavenly sanctuaries, and reaching its climax in the temple eternal, the earthly model as constructed by Moses, being a type or illustration of both the others. It also aims to make plain that the sanctuary symbolizes not only the redemptive work of Christ, but also the Christian experience of each of His followers, and of the church as a whole.
