The Revelation of John: A Narrative Commentary By James L. Resseguie

As the only book of its kind in the New Testament, Revelation can be difficult to understand, and for readers without specialized training, the historicalcritical approach used in many commentaries can provide more complication than illumination. Here James Resseguie applies the easily understandable tools introduced in his primer on narrative criticism to this challenging book. He shows how Revelation uses such features as rhetoric, setting, character, point of view, plot, symbolism, style, and repertoire to construct its meaning. This literary approach draws out the theological and homiletical message of the book and highlights its major unifying themes: the need to listen well, an overwhelmingly Godcentered perspective, and the exodus to a new promised land. Here is a valuable aid for pastor and serious lay reader alike.

Editorial Review

From the Back Cover

"Resseguie's 'narrative commentary' on the book of Revelation helps the reader follow in the footsteps of John the narrator. The author allows us to hear what John heard and see what John saw, so that the sights and sounds of the book mutually interpret and enrich one another. In his hands, this last book of the Christian Bible becomes neither a coded account of first-century Roman politics nor a timetable of future events, but a story in its own right, a story of judgment and redemption to be heard afresh in every generation, not least our own. Highly recommended."--**J. Ramsey Michaels**, Missouri State University, Springfield

"With great skill, Resseguie presents a unified reading of John's Apocalypse as seen through the lens of narrative criticism in the grand tradition of Northrop Frye. The book provides not only careful discussion of major literary concerns but also a close reading of the text from beginning to end, a reading in constant dialogue with a wide range of scholars. This is a welcome addition to the growing body of work analyzing the Apocalypse as a narrative, and whether you find yourself agreeing or disagreeing on specific points, you will find a stimulating and well-argued commentary."--**David L. Barr**, Wright State University

"Resseguie invites us to enter the story world of Revelation and to explore it from within. While remaining fully attentive to historical and linguistic concerns, he also exposes the book's literary features. Anyone who wants to understand the book of Revelation will find this book helpful, but be forewarned: you may come to regard 'understanding' as a minimal goal. This is a commentary that moves beyond intellectual understanding to profound appreciation of a classic, literary work of art."--**Mark Allan Powell**, Trinity Lutheran Seminary

"In addition to being nicely illustrated and very readable, this book brings the advantage of careful attention to John's story. Where many commentators read the text of Revelation as though they know the story in advance, Resseguie leaves the author's story in control. This commentary is a breed apart."

--**Sigve Tonstad**, Loma Linda University

"Resseguie's narrative commentary invites contemporary readers to venture into Revelation's literary world and to sense the transformative power of its text. Written in a clear and accessible style, this study helps readers see Revelation as a whole, guiding them through its scenes of cosmic conflict and into the New Jerusalem."--**Craig R. Koester**, Luther Seminary

About the Author

James L. Resseguie (PhD, Fuller Theological Seminary) is author of several narrative-critical studies and a specialist in Johannine Literature. He is Distinguished Professor of New Testament Emeritus at Winebrenner Theological Seminary.

Users Review
