Untamed (Splintered Series Companion): A Splintered Companion By A. G. Howard

Alyssa Gardner went down the rabbit hole and took control of her destiny. She survived the battle for Wonderland and the battle for her heart. In this collection of three novellas, join Alyssa and her family as they look back at their memories of Wonderland. In *Six Impossible Things*, Alyssa recalls the most precious moments of her life after *Ensnared*, and the role magic plays in preserving the happiness of those she loves. Alyssa's mother reminisces about her own time in Wonderland and giving up the crown to rescue the man who would become her husband in *The Boy in the Web*. And Morpheus delves into Jeb's memories of the events of Splintered in *The Moth in the Mirror*, available in print for the first time.

Read all the books in the *New York Times* bestselling Splintered series: *Splintered* (Book 1), *Unhinged* (Book 2), *Ensnared* (Book 3), and *Untamed* (The Companion Novel).

Praise for *Splintered*: **STARRED REVIEW**

"Fans of dark fantasy, as well as of Carroll's Alice in all her revisionings (especially Tim Burton's), will find a lot to love in this compelling and imaginative novel."

—*Bulletin of the Center for Children's Books*

"Alyssa is one of the most unique protagonists I've come across in a while. *Splintered* is dark, twisted, entirely riveting, and a truly romantic tale."

—*USA Today*

"Brilliant, because it is ambitious, inventive, and often surprising — a contemporary reworking of Lewis Carroll's "Alice's Adventures in Wonderland," with a deep bow toward Tim Burton's 2010 film version."

—*The Boston Globe*

"It's a deft, complex metamorphosis of this children's fantasy made more enticing by competing romantic interests, a psychedelic setting, and more mad violence than its original."

—*Booklist*

" Protagonist Alyssa...is an original. Howard's visual imagination is superior. The story's creepiness is intriguing as horror, and its hypnotic tone and setting, at the intersection of madness and creativity, should sweep readers down the rabbit hole."

—*Publishers Weekly*

"While readers will delight in such recognizable scenes as Alyssa drinking from a bottle to shrink, the richly detailed scenes that stray from the original will entice the imagination. These adventures are indeed wonderful."

—*BookPage*

"Attention to costume and setting render this a visually rich read..."

—*Kirkus Reviews*

"Wonderland is filled with much that is not as wonderful as might be expected, and yet, it is in Wonderland that Alyssa accepts her true nature. The cover with its swirling tendrils and insects surrounding Alyssa will surely attract teen readers who will not be disappointed with this magical, edgy tale."

—*Reading Today Online*

"Creepy, descriptive read with a generous dollop of romance."

—*School Library Journal*

Editorial Review

About the Author

A. G. Howard started writing the Splintered series while working at a school library. She always wondered what would've happened had the subtle creepiness of *Alice's Adventures in Wonderland* taken center stage, and she hopes her darker and funkier tribute to Carroll will inspire readers to seek out the stories that won her heart as a child. She lives in Amarillo, Texas. Visit her online at aghoward.com.

Users Review

From reader reviews:

Christopher Mills:

The book untitled Untamed (Splintered Series Companion): A Splintered Companion contain a lot of information on that. The writer explains her idea with easy means.
