Border Collie

The Complete Border Collie Training Guide - Breed Specific Puppy Training Techniques, Potty Training, Care, Obedience, And Safety Tips

Are you struggling to curtail the excesses of your border collie? Do you always find yourself struggling to establish the right commands for your little collies to follow or you simply wish you have a border collie but don't know where to start.

You don't have to hire a professional trainer to get your collie under you control, all you need is a simple and friendly approach to achieve your aims.

All border collies need obedient training that will be easy for them to learn, and fortunately, young border collies learn fast at their developing stage, thus you don't have to struggle too much to achieve your aim.

You need to understand that it may sometimes become difficult to get full attention of your little border collie, and the reason for this is that they often witness mood swings quickly, and for this reason, their attention simply jump from one thing to the other, especially on the things and situation around them. Your main motive or goal is to have your collie's full attention, otherwise you

may spend too much of a time to make him learn new tricks. Training your collie is like teaching students in classroom, if such students don't pay attention , it will be impossible for them to learn anything.

This book has been carefully arranged and written to provide adequate information on a number of border collie training and techniques, thus you will learn the following from it:

- Getting a border collie and deciding whether a border collie is right for you,
- Breed specific border collie training and deciding what exactly your collie needs,
- Potty training techniques, and the most effective commands to make potty training less stressful.
- Care, obedience and safety tips for your collie, including the management of common behavioral problems associated with collie training.
- Deciding the appropriate age for each training routine for your border collie, and
- Six
- important things and tricks to consider when training your collie. And much more.
