Editorial Review

About the Author

Learn more about Jason Ohler's PD offerings

Jason Ohler is a speaker, writer, teacher, researcher, and lifelong digital humanist who is well known for the passion, insight, and humor he brings to his presentations and writings. He is author of numerous articles, books, and teacher resources and continues to work directly with teachers, administrators, and students. Combining twenty-five years of experience in the educational technology field with an eye for the future, Ohler connects with people where they are, and helps them see their importance in the future development of living, learning, and working in the Digital Age. Although he is called a futurist, he considers himself a nowist, working nationally and internationally to help educators and the public use today's tools to create living environments that we are proud to call home.

Users Review

From reader reviews:

John Moore:

Why don't make it to be your habit? Right now, try to ready your time to do the important behave, like looking for your favorite e-book and reading a publication.
