**Dog Training: Strategic Dog Training Tips For A Well-Trained, Obedient, and Happy Dog (Dog Training Books Book 1)** By Michael Kenssington

## What Would It Mean To You To Have An Obedient, Well-Behaved Dog?

Your canine friend deserves the best. Why not make sure you give him/her the best possible life through the incredible gift of proper training and discipline. Imagine how proud you will feel when guests arrive at your house and tell you, "I've never seen a dog that was so well-behaved".

Have the best possible relationship with your dog by properly training your dog. The key to any great and fulfilling relationship is respect and communication. With proper dog obedience training your dog will know what is expected of them and learn to act accordingly. By understanding your dog's behavior you will better understand what your dog expects from you. This shared understanding, respect, and communication will form an amazing bond that will last a lifetime.

This book was designed as a collection of dog training tips as a brief introduction to dog training for beginners. If you are already experienced in training dogs then you are already applying the tips and techniques in this book. If on the other hand, you are new to training your dog, then the tips in this book will serve you well. If you are interested in more in-depth coverage of dog training and dog care, please check out my other more advanced books in my **Dog Training Books** series.

Here is just a sampling of the useful information you will learn in this book:

**Controlling Your Dog's Aggression** - Learn what triggers your dog's aggressive behavior and use that knowledge to control your dog's aggression.

**How To Stop Destructive Chewing** - Save your sanity as well as your shoes, couch, pillows, etc. by learning how to stop your dog's destructive chewing habits.

**Clicker Training Basics** - Find out why clicker training is so effective and learn the basics of clicker training.

**Control Your Dog's Destructive Digging** - Learn why your dog digs up your yard and how to control it.

.... And much more.
