Generation V (4 Book Series) By M.L. Brennan

From Book 1: Reality Bites

Fortitude Scott's life is a mess. A degree in film theory has left him with zero marketable skills, his job revolves around pouring coffee, his roommate hasn't paid rent in four months, and he's also a vampire. Well, sort of. He's still mostly human.

But when a new vampire comes into his family's territory and young girls start going missing, Fort can't ignore his heritage anymore. His mother and his older, stronger siblings think he's crazy for wanting to get involved. So it's up to Fort to take action, with the assistance of Suzume Hollis, a dangerous and sexy shape-shifter. Fort is determined to find a way to outsmart the deadly vamp, even if he isn't quite sure how.

But without having matured into full vampirehood and with Suzume ready to split if things get too risky, Fort's rescue mission might just kill him....
