### His to Claim: A Novel By Opal Carew

*What if you could have everything you've always wanted, but it cost you the life you've always known?*

Rafe Ranier was my boss and secret crush. A rock musician by night and head of a billion dollar empire by day, Rafe could have any woman he wanted. But I was just the shy secretary he never noticed. For years I obsessed over him, until I finally realized I had to walk away. I needed to leave my secure life behind to discover who I really was.

I never expected Rafe to follow me.

Now I'm on the road with his band, Savage Kiss, and all my secret fantasies are coming true. But I fear I've made a huge mistake, because if I get any more attached to a man I can never truly have, my heart will be broken beyond all repair.

"Utterly hot, intense, fierce, and passionate, Opal Carew's writing is amazing. Top pick!" –*The Romance Reviews*

*First published as a six-part erotic serial, His to Claim is the intoxicating tale of a woman torn between a tattooed, bad boy rock musician and the life she's always know. Now available for the first time as a complete book, this edition features sizzling new bonus material.*
