### The Nature and Character of God By Winkie Pratney

A manual of theology for thought, discussion, and twenty-first century reformation.

Author W.A. Pratney is an internationally known speaker, teacher and writer whose seminars, conferences, campus lectures and books have challenged thousands of young people with the truths of Scripture and the claims of Christ. Out of that ministry was born his desire for a practical, defensible, life-changing study of the greatness and glory of God to help readers think through and apply to their own lives what they understand and believe concerning the person of God. This book, the culmination of eighteen years of personal study and research, is the result.

The Nature and Character of God is a unique volume that gathers together a whole array of thought-provoking and heart-stirring material. It is a topical, lexical, theological, historical and devotional compilation of easy-to-use scripture references, Bible study words, significant and recurring questions, important philosophical, theological and practical applications of core truths, and selections of devotional material drawn from centuries of great Christian thought.

A book to stir both mind and emotions.
