Beyond Opinion: Living the Faith We Defend By Ravi Zacharias

A definitive master work from the world's leading Christian apologist.

Respected apologist Ravi Zacharias was once sharing his faith with a Hindu when the man asked: "If the Christian faith is truly supernatural, why is it not more evident in the lives of so many Christians I know?" The question hit hard, and this book is an answer. Its purpose is to equip Christians everywhere to simultaneously defend the faith and be transformed by it into people of compassion.

In addition to writing several chapters himself, Ravi Zacharias brings together many of today's leading apologists and Christian teachers, including Alister McGrath and John Lennox, to address topics present in the very future of worldwide Christianity—from the process of spiritual transformation to the challenges posed by militant atheism and a resurgent Islam. Destined to become a classic, *Beyond Opinion* is a touchstone that will affect Christians around the world.

Editorial Review

From Publishers Weekly

Zacharias (*The Grand Weaver*) brings together many of today's leading apologists (who are also colleagues at his Ravi Zacharias International Ministries) for a relatively concise treatment of major apologetic themes, including the existence of God, the problem of evil, the exclusive truth claims of Christianity and evidence for the universe's intelligent design. Writers explore Eastern religions, conversational apologetics and the challenges postmodern thought presents to accepting Christianity. Not all the entries here are equal—a stronger edit might have given the whole more cohesion and kept some essayists from straying a bit—but some are impressively readable. Oxford professor Alister McGrath covers atheism with grace, and Zacharias himself tackles the problem of evil simply and clearly in a short 30 pages. Underlying the whole is a sense of compassion, that apologetics is not solely about establishing truth claims but about understanding listeners' deep needs and what their current philosophy provides them. The subtitle is unclear—this is really a standard apologetics manual rather than a book about living out the Christian faith (an idea which Zacharias perhaps should develop elsewhere). But readers will find this helpful and comprehensive, smart and kind. (*Jan.*) Copyright © Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.

About the Author

Ravi Zacharias is President and Founder of Ravi Zacharias International Ministries (RZIM). Their global outreach grew from humble roots in 1984 and includes fielding a team of itinerant speakers who operate from offices located around the world including the U.S., the UK, Romania, the Middle East, India, Singapore, Hong Kong, and Canada. The Hallmark of Ravi's heart is his strong evangelistic and apologetic that manifests itself from a position of compassion.

Users Review

From reader reviews:

Margaret Williams:
