Brooklyn Girl By Ronald Belfort

"Ronald Belfort is a wonderful storyteller." Rich Schiesser, author of Shattered Hearts.

Brooklyn Girl is the story of a teenage girl who is so defiant and anti-authority, that she runs away from home, only to become enveloped in a world filled with drugs, alcohol, sex, and violence.

Lonnie lives with her drug addict mother and senile grandmother. There is little to no supervision in her life.

When her father intervenes and tries to straighten her out, she quickly burns her bridges with him too. Turning to drugs and alcohol, her life soon becomes a nightmare filled with torment, despair, hopelessness, and troubled times. As her life becomes unmanageable, she realizes that the people she pushed away are the people she needs most.

Editorial Review

Review

"Ronald Belfort is a wonderful storyteller. Brooklyn Girl is an enrapturing tale of heartbreak and moral redemption." -Christopher Bowron, author of Devil in the Grass

"Brooklyn Girl is a well written, gritty exploration of how poverty and disadvantage, coupled with poor adolescent choices can spiral out of control. The sympathetic characters pulled me in and made me root for them the entire way. Brooklyn Girl is a compellingly dark novel." -Lisa Wayman, author of Longing for Home

About the Author

Ronald Belfort is a Brooklyn, New York native and an active duty member of the United States Armed Forces. For almost two decades he lived in San Diego, California where he penned his fiction novel, Brooklyn Girl. Much of his work is rooted in his personal experiences, challenges, and Brooklyn upbringing. When not writing, he can be found painting portraits and abstract works of art, obsessing over motorcycles, or watching home improvement shows. He attended the University of La Verne, California and graduated with an MBA. Today, he lives and works in Hawaii, with his wife and 2 year-old twins. While he enjoys island life, he often misses the fast-pace and diverse neighborhoods back in Brooklyn.

Users Review

From reader reviews:

Drew Poland:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to be aware of everything in the world. Each publication has different aim as well as goal; it means that publication has different type. Some people feel enjoy to spend their the perfect time to read a book. They are really reading whatever they take because their hobby is actually reading a book. Why not the person who don't like reading through a book? Sometime, particular person feel need book whenever they found difficult problem as well as exercise. Well, probably you will need this Brooklyn Girl.

Christine Furst:

What do you in relation to book? It is not important together with you? Or just adding material when you need something to explain what the ones you have problem? How about your time? Or are you busy person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every person has many questions above. They must answer that question due to the fact just their can do this. It said that about guide. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need this kind of Brooklyn Girl to read.

Kathy Donnelly:

Many people spending their period by playing outside having friends, fun activity along with family or just watching TV the entire day. You can have new activity to shell out your whole day by examining a book. Ugh, think reading a book can really hard because you have to take the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Smart phone. Like Brooklyn Girl which is having the e-book version. So , try out this book? Let's see.

Rita Merritt:

As we know that book is very important thing to add our know-how for everything. By a book we can know everything we would like. A book is a pair of written, printed, illustrated or even blank sheet. Every year was exactly added. This publication Brooklyn Girl was filled concerning science. Spend your free time to add your knowledge about your scientific disciplines competence. Some people has several feel when they reading any book. If you know how big good thing about a book, you can truly feel enjoy to read a e-book. In the modern era like today, many ways to get book that you just wanted.
