Editorial Review

Review

Thomas Jefferson University, Frances Gilman -- "There are few textbooks that are as comprehensive as this one yet written at an appropriate level for learning. Provides an excellent resource and or primary textbook for students technologists. Excellent for CT board review." University of Oklahoma Health Sciences Center, Jeff Berry -- "I need something precisely like this for my B.S level radiography program CT class and also for a fusion imaging class I teach to B.S. radiation therapy and nuclear medicine students. The up to date information would be very valuable." , L.N. -- "The author goes into lots of detail concerning the various imaging procedures. She presents a good collaboration of information that has not been seen in other similar texts."
