Iridology Course Book: Certification by Correspondence By Georgina Cyr

This is a course workbook for the Iridology Certification Correspondence course. The price includes: A complete color iridology workbook with detailed information to become certified as an Iridologist. It includes full iridology terminology, iris signs, and meanings in relationship to one's health, as well as health recommendations. You will also learn how to perform a professional iris analysis, as well as tips for getting started with your practice. You will also receive access to extensive videos for study, a copy of an IIPA certified Iridology chart that you can have printed and laminated for your practice. You will need to register for this course by emailing iridologycourses@hotmail.com to receive these additional course materials, as well as to become registered as a student for certification. Iridology is the science and practice of studying patterns in the iris of the eye to understand a person's genetic characteristics. This can include identifying physical, emotional, and mental health predispositions. Iridology is a valuable tool for massage therapists, physiotherapists, chiropractors, nurses, natural and holistic health practitioners, energy healers and anyone involved in the health and well-being of others. Upon successful completion of this Course you will be able to: Identify various signs and markings in the iris and determine what potential health indications they may have for the client. Identify potential health challenges the person is genetically predisposed to and may be experiencing. This course opens the door to a rewarding career in the Natural Health Field. You will learn about the iris and its relationship to the body, as well as nutritional and lifestyle changes to help yourself and others lead a healthier and happier life. Testimonials: "Georgina was very pleasant and knowledgeable. I was especially impressed with her diplomacy and patience." Dr. Hanif Paroo O.D. Vancouver B.C. Canada "Georgina is passionate about helping people learn. She is a knowledgeable and personable instructor, and loves teaching students of all ages. She has detailed knowledge and communicates information effectively." Cora Van Wyck - administrator for Langara College July 24, 2012 Georgina Cyr is an IIPA Diplomate Certified Iridology Instructor and Practitioner. I have known Georgina for sixteen years. She served with me on the Board of Directors for the International Iridology Practitioners Association (IIPA) for many years in the Certification and Standards Department as Director of Student Education and Certification Examinations. She worked hard to create standards in the field of iridology and guided students along their path as they

studied iridology to become certified. She graded the certification examinations and counseled students on the areas they needed to improve in. Georgina is an excellent iridologist and iridology teacher. She has written books in iridology and teaches in a way that the student can really understand. Several of our finest iridologists have been trained through her Iridology Courses and Curriculum. In addition, Georgina gives an excellent iris analysis and then works up an herbal and nutritional protocol for each client to follow to help them achieve good health. Georgina is a special person who truly has the students and clients' best interest at heart. She is most helpful to each person she works with and is very intuitive in understanding each individual need. --Ellen Tart-Jensen, Ph.D., D.Sc., CCII "Georgina was willing to share her knowledge freely, she was open to suggestions and made us feel comfortable in asking questions, knowledgeable in her field." Gudrun Penselin Wembley, Alberta, Canada "Georgina is friendly and warm and delivers this huge amount of information in an organized manner." Paula Skalnek Dominion Herbal College Vancouver Canada
