Resist (Breathe Book 2) By Sarah Crossan

The shocking and thrilling sequel—and conclusion—to *Breathe*, which *Kirkus Reviews* called "intelligent and absorbing." Three teens confront danger, uncertainty, and the yearning to live—and breathe—freely. This powerful dystopian novel is for fans of Veronica Roth and Patrick Ness.

What would you do if you were desperate? Bea, Alina, and Quinn are outlaws. They started a rebellion and have been thrown out of the pod—the only place where there's enough air to breathe. Bea has lost her family. Alina has lost her home. And Quinn has lost his privileged life. What will they find now that they are refugees in the perilous Outlands? Their final safe haven may be harboring dark secrets. But together, the three teens find the will to keep fighting, to save one another, and to break free from everything that's holding them back.

Acclaimed author Sarah Crossan has created a dangerous, shattered society, and brought to life three teenagers who come into their own in the most heartbreaking ways. A wrenching, thought-provoking, and unforgettable post-apocalyptic novel.

Editorial Review

From School Library Journal

Gr 9 Up—The dystopian adventure that began in *Breathe* (Greenwillow, 2012) comes to a mediocre conclusion. In the continued effort to find freedom for all citizens, a steadfast group of survivors are fighting two forces: a government within the domed city which regulates the air citizens breathe, and rebels outside the city. The same cast of characters returns, though there is new emphasis on Ronan, the government warrior turned rebel. His point of view alternates with those of freedom fighter Alina, privileged outcast Quinn, and empathetic Bea. Readers will require a lasting memory of *Breathe* or need to reread it before attempting the sequel, as many characters and plot nuances are not fully explained. In a turn of events worthy of a soap opera, the psychotic rebel leader killed off in the first book turns out to have an equally crazy sister who leads another faction of rebels. The heroes must once again escape the rebel enclave and save their people from an authoritarian government. Sprinkled amid action-packed scenes are a few stilted romances. Although the heroes are likable, the story feels forced and the pacing too quick, almost as if large pieces have been left out. Purchase where the first book is popular, otherwise, heed the title and resist.—Cindy Wall, Southington Library & Museum, CT

From [Booklist](#)

After the events of Crossan's debut, *Breathe* (2012), Quinn has been punished for inciting insurrection and banished to the oxygen-poor world outside his safe home in the pod. As he and his girlfriend, Bea, try to reach Alina and the other survivors of the massacre at the Resistance's stronghold, special-forces soldier Ronan is on their trail, but he has become disillusioned and is unwilling to kill any more innocents. Soon the lives of all four teens will be at risk when the sanctuary for which they are searching turns out to be worse than life in the pod. This sequel is just as fast paced as its predecessor, even after Ronan's voice joins the chorus of Alina, Quinn, and Bea's first-person narrations. The multiple perspectives of the likable, believable characters work well to keep readers on the edge of their seats. The romance aspects are a touch forced, but they don't weigh down the story, and the two male perspectives set this one out from the dystopian pack. Grades 7-10. --Snow Wildsmith

Review

"Crossan keeps readers on their feet. Her gritty, lifeless world, the result of the destruction of all of the world's trees, is populated by desperate drifters who survive with portable solar respirators. . . . Intelligent and absorbing." (Kirkus Reviews)

From reader reviews:

Keven Peterson:

Exactly why? Because this *Resist (Breathe Book 2)* is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who have write the book in such awesome way makes the content inside of easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of gains than the other book have such as help improving your expertise and your critical thinking way. So , still want to postpone having that book? If I had been you I will go to the guide store hurriedly.

Kimberly Lunceford:

You are able to spend your free time to learn this book this e-book. This Resist (Breathe Book 2) is simple to bring you can read it in the area, in the beach, train as well as soon. If you did not possess much space to bring typically the printed book, you can buy the actual e-book. It is make you easier to read it. You can save the actual book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

Raymond Brown:

That book can make you to feel relax. That book Resist (Breathe Book 2) was colorful and of course has pictures on there. As we know that book Resist (Breathe Book 2) has many kinds or type. Start from kids until youngsters. For example Naruto or Detective Conan you can read and think you are the character on there. So , not at all of book are generally make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for you personally and try to like reading that.

Jesus Curry:

What is your hobby? Have you heard which question when you got pupils? We believe that that issue was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. And you know that little person such as reading or as examining become their hobby. You must know that reading is very important in addition to book as to be the factor. Book is important thing to include you knowledge, except your teacher or lecturer. You discover good news or update regarding something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is Resist (Breathe Book 2).
