**\*Starred Review\*** She is a princess, and it is her duty to marry into an alliance. But 17-year-old Lia has her own opinion about that obligation, one that she puts into action when she escapes her wedding with her lady-in-waiting, Pauline. Determined, confident Lia thinks that she knows how to cover her tracks, and soon she and Pauline are working as barmaids in Pauline's hometown. Now two new voices enter to help tell the story. One belongs to the prince whom Lia was supposed to marry. He is curious about his fled fiancée and angry that she thought of a way to get out of the marriage first. The other voice belongs to an assassin who is sent by the Komizar of Venda to make sure that Lia doesn't change her mind and return to initiate an alliance that will harm their country. Pearson offers readers a wonderfully full-bodied story: harrowing, romantic, and full of myth and memory, fate and hope. She never compromises her characters—especially the multifaceted Lia—for plot; each element motivates the other. There is also a richness to the descriptions that makes readers feel that they can see and even smell the changing landscapes. This has the sweep of an epic tale, told with some twists; it's a book that almost doesn't need a sequel, but readers will be thrilled that it continues on. Grades 9-12. --Ilene Cooper

"Pearson offers readers a **wonderfully full-bodied story: harrowing, romantic, and full of myth and memory, fate and hope**. . . . This has the sweep of an epic tale, told with some twists." *?Booklist, starred review*

"A marvelous new fantasy series that is sure to find an audience with devotees of Suzanne Collins's *The Hunger Games* and John Flanagan's *Ranger's Apprentice* books (Philomel). Romance, adventure, mysticism--**this book has it all** and it just may be the next YA blockbuster." *?School Library Journal, starred review*

"After her strong Jenna Fox series, Pearson adeptly switches gears here from science fiction to fantasy, but her ability to write a romance featuring complex characters and a strong plot remains constant." *?The Horn Book*

“*The Kiss of Deception* is a **deeply satisfying, intricately plotted fantasy** where no one--no one--is quite what they seem. Full of lush writing and rich, complex characters, readers will quickly become enmeshed in the intricate web of lies that have been woven into the very fabric of the kingdom itself. A thoroughly engrossing read--**I couldn't put it down!**” ?Robin LaFevers, *New York Times*—bestselling author of *Grave Mercy* and *Dark Triumph*

“Peppered with excerpts from sacred texts and traditional songs, the novel has a formidable heroine at its core, who is as quick with a knife as she is to laugh or cry. Pearson maintains the mystery of Rafe and Kaden's identities, pulling readers through this **masterfully crafted** story.” ?*Publishers Weekly, Starred Review*

“Pearson's first book in her Remnant Chronicles is **thrilling. Readers will be hooked** from the first page to the last and will find themselves eagerly anticipating the next installment. Pearson pairs a rich and varied plot with a **fiery and headstrong heroine.**” ?*Romantic Times*

“Pearson's writing is **beautiful**, and her ability to twist a plot into knots keeps the reader wanting more.” ?*BookPage*

“This thick book is fantastical and interesting (with a bit of mystery thrown in!). . . .There's a lot of mystery that spices up the book. It's not all about the mystery, but it's on the peripheral always, which makes it that much more interesting.” ?*USA Today*

“Lia herself is a likeable heroine, and the selfishness in her act of leaving a kingdom in shambles for some future love is negated by her obvious naivete about political strategies and romantic relationships . . . .Most intriguing are the two love interests, though, partly because of the way Pearson structures their narrating chapters.” ?*BCCB*

“**Rich and exciting** . . . a bold ending whets appetites for the next installment.” ?*Kirkus Reviews*
