The Prince's Secret (The Royal Biography Cozy Mystery Series Book 2) By Julie Sarff

View the sample to start reading the introduction to the Prince's Secret now.

The main mystery is solved in each book, although the romance runs from book to book. Some people may enjoy the books more by reading the series in order, but it is not necessary for understanding the standalone mysteries. Cheers!

~Julie Sarff's books are on my short list of indie books to read. Her books are as much about the journey as the destination. Part romantic comedy, part mystery and part farce, they leave me with a smile on my face long after the last book is read. ~ U.S.A. Today Bestselling author Linda Ryn

In her quest to write the perfect biography, Trudy Rue becomes one of the Prince's closest confidantes. When he reveals a horrible secret about his past, and asks Trudy to use her access to his historical files to help, she tries to rise to the task. While working on the biography and trying to help the Prince, Trudy becomes embroiled in another mystery: who is the author of a small, brown book she and the Prince found in Holyrood Palace?

The mysteries will take Trudy from her small cottage to one of the oldest cemeteries in Scotland and onwards to small town on the coast of Northern Ireland. Can she help the Prince find out what really happened on the day his brother was killed, while simultaneously unravelling the mystery of the small brown book? And most importantly, will the Prince turn out to be her man, or simply a frog in disguise?
