Values - Driven Leadership: Making Ethics, Morality, Professionalism the Bedrock of Success By Matthew Ashimolowo

Values are the fundamental principles that define what is right, good and just for a person. They act as a GPS to determine what is right or wrong for us. Values can be held in many different spheres; such as politics, morality and ethics, the spiritual life and relationships.

The values a person holds create a certain standard, or ideal, that they adhere to.

A values driven leader will give the followership a sense of fairness, equity and justice. What type of leader are you? This book discusses the values a leader must have in order to excel themselves and bring out the best in the people around them.
