## **Editorial Review**

### Review

"This book provides a comprehensive review of current anaesthetic practice. It is well illustrated with uncluttered diagrams and tables together with useful key points highlighted at the end of each chapter. The format in size, layout, and content is aimed at the examination candidate, but the reality is, it is a book for all." - *British Journal of Anaesthesia*

### About the Author

James Duke, MD, Assistant Professor, Dept. of Anesthesiology, University of Colorado Health Sciences Center; Associate Director of Anesthesiology, Denver Health Medical Center, Denver, Colorado
