**Out of My Later Years: The Scientist, Philosopher, and Man Portrayed Through His Own Words** By Albert Einstein

**An inspiring collection of essays, in which Albert Einstein addresses the topics that fascinated him as a scientist, philosopher, and humanitarian**

Divided by subject matter—"Science," "Convictions and Beliefs," "Public Affairs," etc.—these essays consider everything from the need for a "supranational" governing body to control war in the atomic age to freedom in research and education to Jewish history and Zionism to explanations of the physics and scientific thought that brought Albert Einstein world recognition. Throughout, Einstein's clear, eloquent voice presents an idealist's vision and relays complex theories to the layperson.

Einstein's essays share his philosophical beliefs, scientific reasoning, and hopes for a brighter future, and show how one of the greatest minds of all time fully engaged with the changing world around him.

This authorized ebook features rare photos and never-before-seen documents from the Albert Einstein Archives at the Hebrew University of Jerusalem.

### Editorial Review

Review

“Ethical axioms are found and tested not very differently from the axioms of science. Truth is what stands the test of experience.” —Albert Einstein, “The Law of Science and the Laws of Ethics”

About the Author

Albert Einstein (1879–1955) was born in Germany and became an American citizen in 1934. A world-famous theoretical physicist, he was awarded the 1921 Nobel Prize for Physics and is renowned for his Theory of Relativity. In addition to his scientific work, Einstein was an influential humanist who spoke widely about politics, ethics, and social causes. After leaving Europe, Einstein taught at Princeton University. His theories were instrumental in shaping the atomic age.

### Users Review

**From reader reviews:**

**Frances Williamson:**

Book will be written, printed, or outlined for everything. You can recognize everything you want by a reserve. Book has a different type. As it is known to us that book is important matter to bring us around the world. Alongside that you can your reading talent was fluently.
