Paradise lost. Illustrated by Gustave Doré. Edited by Henry C. Walsh By
John Milton, Henry Collins Walsh

This book was originally published prior to 1923, and represents a reproduction of an important historical work, maintaining the same format as the original work. While some publishers have opted to apply OCR (optical character recognition) technology to the process, we believe this leads to sub-optimal results (frequent typographical errors, strange characters and confusing formatting) and does not adequately preserve the historical character of the original artifact. We believe this work is culturally important in its original archival form. While we strive to adequately clean and digitally enhance the original work, there are occasionally instances where imperfections such as blurred or missing pages, poor pictures or errant marks may have been introduced due to either the quality of the original work or the scanning process itself. Despite these occasional imperfections, we have brought it back into print as part of our ongoing global book preservation commitment, providing customers with access to the best possible historical reprints. We appreciate your understanding of these occasional imperfections, and sincerely hope you enjoy seeing the book in a format as close as possible to that intended by the original publisher.

Editorial Review

About the Author

John Milton was a seventeenth-century English poet, polemicist, and civil servant in the government of Oliver Cromwell. Among Milton's best-known works are the classic epic *Paradise Lost*, *Paradise Regained*, considered one of the greatest accomplishments in English blank verse, and *Samson Agonistes*.

Writing during a period of tremendous religious and political change, Milton's theology and politics were considered radical under King Charles I, found acceptance during the Commonwealth period, and were again out of fashion after the Restoration, when his literary reputation became a subject for debate due to his unrepentant republicanism. T.S. Eliot remarked that Milton's poetry was the hardest to reflect upon without one's own political and theological beliefs intruding.

Users Review

From reader reviews:

Janet Maldonado:
