The Dying Earth RPG By Robin D. Laws, John Snead, Peter Freeman

Enter a world where the sun is in its dotage, where a flashing sword is less important than nimble wits, persuasive words, and a fine sense of fashion. Choose from three levels of play, a lowly rogue such as Cugel the Clever, surviving by wits and cunning, an ambitious and deadly mage searching for lost lore, like Turjan of Miir or finally a supreme magician to rank with Rhialto the Marvellous, commanding the omnipotent but quarrelsome Sandestins. Based on master fantasist Jack Vance's seminal work, *The Dying Earth* features easy, fast-playing rules that encourage creativity and interaction.

Editorial Review

Review

The Dying Earth Roleplaying game is an RPG that does a superb job of capturing the feel of Jack Vance's foundational fantasy books. If you've always wanted to engage in amoral behavior under a wavering sun, this is your opportunity. As an RPG, The Dying Earth Roleplaying Game is a strong entrant onto the storybuilding branch of the RPG tree. --Shannon Appelcline, rpg.net

About the Author

Robin D. Laws is a writer and game designer. His roleplaying game designs for Pelgrane Press include The Dying Earth, The Esoterrorists, Mutant City Blues and Skulduggery . His other roleplaying game designs include Feng Shui , HeroQuest and Og: Unearthed Edition. Among Robins six novels are Pierced Heart, The Rough and the Smooth, and Freedom Phalanx. Always ready to take an intriguing career detour, his various past projects include collectible card games, computer games, and comic books. Google his name to find his blog, a cavalcade of hobby games, film, culture, narrative structure and gun-toting avians.

Users Review

From reader reviews:

Kurtis Henry:

The book The Dying Earth RPG can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the good thing like a book The Dying Earth RPG? Some of you have a different opinion about e-book. But one aim that will book can give many info for us. It is absolutely suitable. Right now, try to closer together with your book. Knowledge or data that you take for that, you can give for each other; you are able to share all of these. Book The Dying Earth RPG has simple shape but you know: it has great and large function for you. You can look the enormous world by open up and read a reserve. So it is very wonderful.

Christian Fowler:

Here thing why that The Dying Earth RPG are different and dependable to be yours. First of all reading through a book is good but it really depends in the content from it which is the content is as delightful as food or not. The Dying Earth RPG giving you information deeper as different ways, you can find any publication out there but there is no publication that similar with The Dying Earth RPG. It gives you thrill examining journey, its open up your personal eyes about the thing that will happened in the world which is probably can be happened around you. It is easy to bring everywhere like in park, café, or even in your technique home by train. In case you are having difficulties in bringing the imprinted book maybe the form of The Dying Earth RPG in e-book can be your alternate.

Armando Rodgers:

Playing with family within a park, coming to see the coastal world or hanging out with friends is thing that usually you have done when you have spare time, and then why you don't try issue that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The Dying Earth RPG, you could enjoy both. It is fine combination right, you still need to miss it? What kind of hang type is it? Oh can occur its mind hangout folks. What? Still don't buy it, oh come on its called reading friends.

Mark Mata:

In this age globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of references to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher which print many kinds of book. The actual book that recommended for you is The Dying Earth RPG this reserve consist a lot of the information of the condition of this world now. This particular book was represented how do the world has grown up. The dialect styles that writer use to explain it is easy to understand. Often the writer made some analysis when he makes this book. Honestly, that is why this book suitable all of you.
