### A Different Kind of Pet By JJ Argus

She didn't, as a rule, like weak women, but there was something about Miranda, so earnest and eager to please, so young and beautiful. Cody Gray owned her own company, and ran it ruthlessly. When she interviewed Miranda she saw something there which intrigued her, a character she could build up, and at the same time, exploit. The girl was a bit young for her, of course, at least, as a girlfriend, if not lover. But as a pet, well now, a pet that could cook and clean and make dinner, an eager, wriggling, and very obedient companion who could please her in so many ways, Miranda could be something quite – special.
