Admiralty Islands (University of Otago Working Papers in Anthropology)

By Dr Hans Nevermann

This 382-page text is a translation into English of Hans Nevermann's 1936 "Die Admiralitätsinseln". It follows the translation of his "St Matthias Group", which appeared in 2011, and the much-earlier translation of Richard Parkinson's "Thirty Years in the South Seas". Translation of the 29 volumes that make up "Ergebnisse der Südsee Expedition, 1908–1910" is my ongoing 'mission' -- further volumes will follow.
