### Awakening (The Heirs of Versalla Book 1) By Cherie Logan

From her first moment at Reasonway Academy, Sarah LeMar felt like she had stepped into a whole new world. Meeting Kaden Walker was almost surreal, and their blossoming friendship was like a fairytale. Even the dreams were fantastical. They were so real, so amazing! Dreams of dancing princesses and handsome princes. Dreams that should have begun with Once Upon A Time and end with Happily Ever After, but instead left her waking in tears and feeling more lonely than ever before. What was the real story behind Reasonway Academy? Why did every moment feel like magic, and yet fantasy and imagination were strictly outlawed. Where did students go that they were never found again? and why did Sarah feel like everyone was watching her and waiting?
