Dawn of Night: The Erevis Cale Trilogy, Book II By Paul S. Kemp

The shadows recede from a lost temple in a forgotten wilderness.

The sun rises on a new calling for a man as loyal as he is mysterious.

The day's beginning finds Erevis Cale holding in his steady hands more power than he dared hope for - and more responsibility than he ever imagined.

For now, he will have to put his trust in a god served by thieves and born of chaos.
