Rebecca Daphne du Maurier

I Meet Maxim de Winter

What would I be today if I had not gone to Monte Carlo with Mrs Van Hopper? I would have lived another life. I would have become a different person.

Mrs Van Hopper was not a pleasant woman. She loved to meet people who were rich and famous. Every summer, Mrs Van Hopper stayed at the Hotel Cote d'Azur, the biggest and most expensive hotel in Monte Carlo. Here, Mrs Van Hopper found out which well-known people were staying in the town. She always found an excuse to speak to them. Then, pretending to know them well, she asked her victims rude questions in her loud American voice.

Users Review

From reader reviews:

Clara Lee:

In this 21st one hundred year, people become competitive in each way. By being competitive currently, people have do something to make these survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yeah, by reading a reserve your ability to survive improve then having chance to stand than other is high. In your case who want to start reading the book, we give you this kind of Rebecca book as beginner and daily reading book. Why, because this book is greater than just a book.

Roy Larson:

In this period of time globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of sources to get information example: internet, classifieds, book, and soon. You will see that now, a lot of publisher in which print many kinds of book. The book that recommended for you is Rebecca this e-book consist a lot of the information from the condition of this world now. This particular book was represented just how can the world has grown up. The words styles that writer use for explain it is easy to understand. The writer made some exploration when he makes this book. Honestly, that is why this book suited all of you.

Johnna Chapin:

As we know that book is very important thing to add our know-how for everything. By a book we can know everything you want. A book is a list of written, printed, illustrated or perhaps blank sheet. Every year ended up being exactly added. This e-book Rebecca was filled in relation to science. Spend your time to add your knowledge about your research competence. Some people has different feel when they reading a new book. If you know how big benefit from a book, you can feel enjoy to read a reserve. In the modern era like right now, many ways to get book you wanted.

Henry McMahon:

Reading a reserve make you to get more knowledge from this. You can take knowledge and information originating from a book. Book is prepared or printed or created from each source that will filled update of news. On this modern era like at this point, many ways to get information are available for a person. From media social such as newspaper, magazines, science guide, encyclopedia, reference book, book and comic. You can add your understanding by that book. Are you ready to spend your spare time to spread out your

book? Or just looking for the Rebecca when you essential it?
