### Thinspo By Amy Ellis

Jenni is an average teenage girl about to graduate from high school who keeps a blog about her struggles to get a boyfriend and arguments with her best friend, Carly. But Jenni's blog is a bit different. She's a pro-ana/pro-mia blogger documenting her struggles with her eating disorder, keeping track of her weight, calorie intake and what her parents made her eat. When her best friend Carly discovers her blog, things start to blow up, only getting worse as Jenni meets Dani, who also suffers from an eating disorder. Jenni's story is tragic and sarcastic rolled into blog format and told through her posts and text messages.
