Wars of the Roses: Stormbird By Conn Iggulden

“Capturing the violence and romance of medieval life, Iggulden makes real those grand characters who live in the collective memory. A page-turner sure to have readers eager for the next in the series.”

—*Kirkus*

The first book in #1 New York Times–bestselling author Conn Iggulden’s brilliant new historical series about two families who plunged England into a devastating, decades-long civil war.

In 1437, the Lancaster king Henry VI ascends the throne of England after years of semi-peaceful regency. Named “The Lamb,” Henry is famed more for his gentle and pious nature than his father’s famous battlefield exploits; already, his dependence on his closest men has stirred whispers of weakness at court.

A secret truce negotiated with France to trade British territories for a royal bride—Margaret of Anjou—sparks revolts across English territory. The rival royal line, the House of York, sees the chaos brought on by Henry’s weakness and with it not only opportunity in the monarch, but also their patriotic duty in ousting an ineffectual king. As storm clouds gather over England, King Henry and his supporters find themselves besieged abroad and at home. Who or what can save the kingdom before it is too late?

Editorial Review

Review

Pacey and juicy, and packed with action Sunday Times Energetic, competent stuff; Iggulden knows his material and his audience Independent A novel that seamlessly combines narrative, historical credence and great knowledge of the period Daily Express Iggulden is in a class of his own when it comes to epic, historical fiction Daily Mirror Superbly plotted and paced The Times Conn breathes new life into the darkest and most dramatic of times, with a flair for both the huge scale and human interest of it all Star Exceptionally well-written and gripping Stylist Compelling reading Woman & Home A benchmark for historical fiction, showcasing Conn Iggulden at his finest Parmentier Books blog Full of period detail, the narrative weaves a glittering thread through the complex, political chaos of the time. It's been said that Game of Thrones is the Wars of the Roses written as fantasy: this is the real thing, more glorious, more passionate, far, far more gritty -- Manda Scott, author and head of HWA

About the Author

Conn Iggulden is one of the most successful authors of historical fiction writing today. Stormbird is the first book in his brilliant new series set during the Wars of the Roses, an extraordinary period of British history. His previous two series, on Julius Caesar and on the Mongol Khans of Central Asia, describe the founding of the greatest empires of their day and were number one bestsellers. Conn Iggulden lives in Hertfordshire with his wife and children.

Users Review
