#### **C.A. WEBB - "CONVERSATIONS BOOK CLUB" (Jackson, MS)**

At a time when the bad news of the day seems to get the most attention, it is a refreshing break to get some good news that can come out of challenges. What is even more powerful about his journey is his desire to share what he has learned with others. "If you are ever displaced or feel off track, try to find a passion. Do Something different." (page 56)

This book is one that will keep you inspired. It doesn't mean that you won't have bad days or setbacks, but it will help you to keep them and life in general in perspective.

#### **About the Author**

Cleamon Moorer is a business professor. His path to university teaching is far from traditional. He made the leap of faith to resign from a Global Service Executive position at AT&T to start-up a management consulting firm. He began university teaching at the age of 26.

He credits God for transforming him from being a college flunk-out to becoming an engineer, executive, consultant, and ultimately a university professor all in less than 15 years. He is also the executive director of Dr. C Moorer & Associates, Inc. (a registered 501(c)3 scholarship-providing and grant-making organization.)
