**Sleisenger and Fordtran's Gastrointestinal and Liver Disease- 2 Volume Set: Pathophysiology, Diagnosis, Management, 10e (Gastrointestinal & Liver Disease (Sleisinger/Fordtran))** By Mark Feldman MD, Lawrence S. Friedman MD, Lawrence J. Brandt MD

Now in its 10th edition, Sleisenger and Fordtran's Gastrointestinal and Liver Disease remains your indispensable source for definitive, state-of-the-art answers on every aspect of gastroenterology and hepatology. Overcome your most complex clinical challenges and make optimal use of the newest techniques, technologies, and treatments—with superb guidance from hundreds of world-renowned authorities. Meticulous updates throughout include the latest approaches and improvements in gastrointestinal and liver disease diagnosis and therapy as well as hundreds of images and 35 new procedural videos.

*"..one of the most valuable clinical resources in the dynamic field of gastroenterology and hepatology."* **Reviewed by** Brindusa Diaconu on behalf of the Journal of Gastrointestinal and Liver Diseases, July 2015

*"..an engaging, educational yet clinically orientated textbook which is relevant to modern clinical practice."* **Reviewed by** Dr Harry Brown on behalf of glycosmedia.com, April 2015

*"I can personally attest to the remarkable advances that have been made, as I was author of the chapter on eosinophilic gastroenteritis in the second edition of the textbook, and reading the same chapter in the tenth edition underscores the important advances that have been made in our understanding of the molecular basis as well as the pathophysiology of this and related disorders."* **Foreword** by Norton J. Greenberger, MD Boston, Massachusetts, June 2015

- **Get the essential gastroenterology information you need** from one authoritative source with an outstanding global reputation for excellence.

## **Editorial Review**

### Review

"This classical textbook represents one of the most valuable clinical resources in the dynamic field of gastroenterology and hepatology, being not only an indispensable tool for updating knowledge in specialists in gastroenterology and hepatology and surgeons, pathologists and internists in the connected fields, but also very useful for young fellows and medical students." **Reviewed by** Brindusa Diaconu on behalf of the Journal of Gastrointestinal and Liver Diseases, July 2015

"If there was a nomination for a blockbuster textbook of gastrointestinal and liver disease then this would surely be a leading candidate. It is certainly a blockbuster in terms of size and depth of coverage as well as high-quality content." **Reviewed by** Dr Harry Brown on behalf of glycosmedia.com, April 2015

## **Users Review**

### **From reader reviews:**

#### **Jonathan Gomes:**
